Friends of Windmill Gardens and Lambeth Council have worked to restore Brixton Windmill and promote it as an educational resource with support from the **Heritage Lottery Fund**. A restored Brixton Windmill offers an exciting and unique asset for the community and school heritage activities. Volunteering opportunities are available throughout the year, especially when the windmill is open in the summer months. **Volunteering at the windmill offers possibilities to gain new skills and experience to enhance your CV.** Training will be provided and **must** be undertaken for tour guide and steward roles.
